

ELECTRICAL SAFETY TRAINING

NFPA 70E 2018 CLASS

PRESENTED BY
ELECTRICAL PROFESSIONAL CONSULTANTS

Location: Associated Builders & Contractors (ABC) Building
240 S. Rock Blvd #121, Reno, NV 89502
(Location map on back)

DATE: February 13, 2020

TIME: 8:00 AM-4:30 PM

INSTRUCTOR: Howard Herndon

Electrical safety training is key to saving lives, reducing injury, liability and losses from electrical incidents. EPC training provides concise and clear information on what you and your team need to know for compliance with workplace and OSHA requirements. There also have been major changes in the updated 2018 NFPA 70E electrical safety standard. Changes such as important terminology and updated work practices and procedures that directly affect your team.

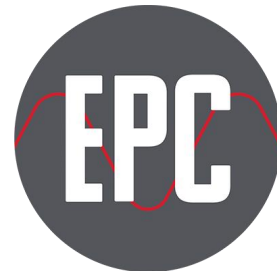

Cost per attendee: \$325.00

Lunch/NFPA 70E book included

ICC Continuing Education Units (0.8) provided
(Acceptable for NV Electrical Qualifications Card Requirements)

DUE TO SPACE CONSTRAINTS, LIMITED TO 25
ATTENDEES PER CLASS

***72 hour notice *required* for any refund or transfer of**
class fee*
