### CITY OF RENO

#### ***Plans***

Online transactions are highly encouraged. Drop off/pick up stations have been established in the second floor lobby of the Reno City Hall. Call (775) 334-2063 or email [Permits@Reno.Gov](mailto:Permits@Reno.Gov) for more information

#### ***Inspections***

Based on the available information, in-person inspections will continue using CDC guidelines. Call (775) 334-2063 for more information.

### CITY OF NORTH LAS VEGAS

#### ***Plans***

Permit applications allowed via electronic submission. Drop off/pick up areas at the front door of City of North Las Vegas City Hall. Call PAC (702) 633-1536 or Plan Review (702) 633-1550 for more information.

#### ***Inspections***

Effective immediately, all inspections from Building & Fire Safety will be held by video and/or photo means. Any in-person inspections must be pre-authorized by City Management. Call Inspection Line for more information: (702) 633-1576

## **CITY OF LAS VEGAS**

### ***Plans***

The lobby is closed to public access. Plan review and inspection services will continue. Electronic submission of plans are preferred. If paper documents must be transferred or meetings required, call (702) 229-6251 to schedule an appointment. Visit [www.lasvegasnevada.gov/building](http://www.lasvegasnevada.gov/building) for more information.

### ***Inspections***

In-person inspections will continue using CDC guidelines. UPDATED 3/23/20: All inspections of occupied dwellings suspended - building and offsite divisions inspections to continue using CDC guidelines.

## **CITY OF HENDERSON**

### ***Plans***

City Hall is closed to the public until further notice; all plans to be submitted electronically. Email [cohpermits@cityofhenderson.com](mailto:cohpermits@cityofhenderson.com) or call (702) 267-3900 for more information.

### ***Inspections***

In-person inspections will continue using CDC guidelines.

## **CLARK COUNTY**

### ***Plans***

The lobby is closed to public access. Please visit <http://www.clarkcountynv.gov/building/Pages/default.aspx> for up-to-date information and procedures for permits/plans check/inspections or call (702) 455-0000 for more information.

### ***Inspections***

In-person inspections will continue using CDC guidelines.
