

2023 NEC CHANGES

Presented by: Randy and Chris Hunter
www.hunter-technical.com

\$250

(includes handouts, lunch, CEUs)

This seminar will cover the major changes in the 2023 National Electrical Code®. Photos and illustrations will be used to show how the NEC® is changing and how those changes will affect electrical installations.

Changes include over a dozen new Articles, new AFCI requirements, changes to lighting load calculations, new surge protection requirements, Class 4 power systems, and many more changes that affect installations and inspections.

 **November 18, 2023**

 **8:00 AM - 4:30 PM**

 **Durango Hills Golf Course**
3150 N. Durango Dr.
Las Vegas, NV 89129
